

GeoServices, Ltd.

It's All About Water™

Permit Services

GEO SERVICES, LTD. can help guide you through the sometimes complex, and occasionally frustrating, permitting process. Our professionals are experienced with preparation of technical reports needed to support a wide variety of permits and permit applications. GeoServices works successfully with regulators during the review and permit submission process. We are experienced with nearly every type of permit involving land disturbance or natural resources including the following:

State Regulatory Agency Water-Related Permits (PADEP, SRBC & DRBC)

- Ground Water Withdrawal
- Surface Water Withdrawal
- Approval by Rule
- Consumptive Use
- Aquifer Test Plans and Waivers
 - Ground Water Availability Studies
 - Hydrogeologic Descriptions
 - Monitoring Plans
- Passby Determinations
- Pre-drilling plans

Marcellus Shale, Land Development, and Non-Coal Mining Projects

- Erosion and Sediment Control General Permit (ESCPG-1)
- Ground Water & Surface Water Withdrawal
- Dam Permits
- Stream Encroachment
- Water Management Plan
- Consumptive Use
- Approval by Rule
- NPDES Permits
- Beneficial Reuse
- Spray Irrigation

GEO SERVICES' professional staff looks forward to a detailed discussion of your needs. Please call, e-mail, or contact us through our website, www.GeoServicesLtd.com.
